

Dear Friends,

On behalf of The Finland Senior Sport Leaders we have the honour and pleasure of inviting you to the Nordic Senior Sport Leaders Conference in Vantaa, Finland.

Vantaa has the largest airport in Finland. The airport was constructed for the Summer Olympics in 1952. The history of Vantaa goes back to the 14th century, but as a city Vantaa celebrates its 50th anniversary next year. It is a young and dynamic city with inhabitants active in many fields of culture and sports.

The Nordic Senior Sport Leaders Conference will be held on June 14-16, 2024 close to the airport in Vantaa at Flamingo Spa Hotel. The hotel is in the Flamingo recreation centre and the Jumbo shopping mall. Accompanying persons will find a lot of interest on site.

The theme of the conference is "Generations on the King's Way". The programme is almost ready and it will be published on January 15, 2024. Registration for the conference starts immediately on publication and runs until April 19, 2024.

The conference is arranged in cooperation with the City of Vantaa, the science centre Heureka, the Finnish Olympic Committee and the Finnish Ministry of Education and Culture.

Dear Sports Friends,

Let us await the future with confidence.

Friendship, cooperation, and peace are immensely important in our time. The sports movement, like societies, faces many challenges. 2024 is an Olympic year and every country is preparing for the games. We seniors possess a rich and diverse experience of life and sport. We are a resource, not just a reserve!

On behalf of The Finland Senior Sport Leaders we warmly welcome you to Vantaa next year.

We thank you for our cooperation in 2023 and wish you Merry Christmas and a Happy New Year 2024!

The Board of Finland Senior Sport Leaders
